Disturbing domestic and garden work (carpet knocking, manual activities, sawing, hammering, etc.) is only permitted on weekdays from 8 a.m. to 12 p.m. and from 3 p.m. to 6 p.m. At lunchtime and in the evening hours from 6 p.m. , as well as on Sundays and public holidays , work disturbing the peace is generally prohibited. Particular consideration must be taken when making music and operating music players, radio and television sets, making telephone calls and using vacuum cleaners. So that the peace and quiet is not disturbed in the time from 12 p.m. – 3 p.m. (midday rest) and from 10 p.m. - 7 a.m. (night rest) . Room volume (= when noise is no longer perceived outside a closed apartment) must not be exceeded. The use of loudspeakers, musical instruments and talking on the phone in loggias or with open windows must not lead to a nuisance to neighbours																			
The bathroom facilities, such as shower and bathtub, should not be used between 10 p.m. and 6:30 a.m., as this leads to a massive disturbance of the night's rest, due to loud pipe and water noises (faucet, shower head, rainforest shower ...), which are strongly transmitted in the house!
